

MINI-PRESENTER

Welcome

Press → or Space to advance. Use ← to go back.

#1

Why a demo?

- Verify slide navigation logic.
- Test hash-based slide sync.
- Exercise build-step handling.

#2

Mini presenter goals

- Keep slides in plain HTML.
- Offer a clean presenter view.
- Synchronize display + controls.

#3

Build steps demo

Each bullet reveals with another key press.

#4

Hash navigation

Jump directly to **#3** or **#5** in the URL.

#5

What's next

- Presenter controls
- WebSocket sync
- Speaker notes

#6

Thanks!

Demo complete. Try navigating again.
